Casing Oscillators
CFA
Kelly bar
Diaphragm Wall
Soil Displacement
Drilling Tools

Tools & Accessories

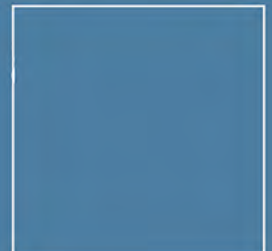

Enteco provides a wide range of accessories, auxiliary equipment and tools especially designed and engineered to be applied to Enteco range of rigs and cranes, such as:

- **Casing Oscillators OCB series**, ready to be connect to the base rig and driven by the hydraulic system of the piling equipment
- **Telescopic Kelly bars** and drilling tools for bored piles
- **HGT diaphragm wall applications** with single and telescopic square Kelly bars, hydraulic grabs with rotation and verticality control system
- **CFA application** with CFA tools, hydraulic auger cleaners, concrete pipes swivel and extensions
- **Soil displacement** application with Enteco patented tools for full and semi-displacement piles and heavy duty drilling rods
- **Soil mixing** application with especially designed tools and drilling rods
- **Large diameter DTH** application with air/water swivels and clamps
- **Pile driving** application with special made hammer cradles and guides

Tools & Accessories

- Pile driving leaders and drilling attachments
- Casing Oscillators from 800 to 2500 mm casing dia.
- Hydraulic and mechanical diaphragm walls grabs
- Large diameter DTH rotary tables application up to 1200 mm diameter
- Vibroflotation special applications
- Telescopic Kelly bars friction and interlocking type up 110 m. depth
- Heavy duty core barrels, augers and buckets for soil and rock formations
- Casing twisters, pipes and joints screw type up to 2500 mm diameter
- CFA augers and hydraulic auger cleaners up to 1500 mm diameter
- Soil displacement tools up to 1000 mm diameter with HD drilling rods
- Soil mixing tools up to 1500 mm and HD drilling rods

Enteco è presente in ogni continente e in molti paesi del mondo, con dealers specializzati e competenti che seguono clienti e cantieri con disponibilità e professionalità.

Enteco is to be found on all continents and in many countries throughout the world, with specialised, competent dealers who willingly follow customers and sites with great professionalism.
